Recommendations & Action Items

1. Refine Opening Script Hook (Urgent): Tighten the value proposition within the initial 10-15 seconds to maximize engagement.
2. Optimize Calling Windows & Timing: Target calling hours between 10:00 AM – 1:00 PM and 4:00 PM – 6:00 PM for peak connection rates.
3. Accelerate Qualification Speed: Position key qualifying questions earlier in the dialogue tree.
4. List Cleansing & Volume Scaling: Remove recurring unreachable numbers and scale daily dial batches.
5. Monitor Duration vs. Lead Quality: Track correlation between 60s+ calls and high-intent sales conversions.
